Vine Videos – Modern Inventions – Storyboard Template

Name of invention: _____

To record and publish your original Vines about technological inventions of the modern era, you will use the storyboards below to plan your videos. You will make **two six-second videos**:

1. Part 1 – Who invented it? Why?
2. Part 2 – What was the impact?

After you plan and record your Vines, you will show them to Mr. Hall before publishing. Then, you will post and Tweet your videos to educate your classmates.

Part 1: Who invented it? Why?

Draw or
describe what
is happening
on the screen

	<p>Length: _____</p> <p>Action or Image: _____</p> <p>Script: _____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>
	<p>Length: _____</p> <p>Action or Image: _____</p> <p>Script: _____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>
	<p>Length: _____</p> <p>Action or Image: _____</p> <p>Script: _____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>

Name: _____

Date: _____

Part 2: What was the impact?

	Length: _____ Action or Image: _____ Script: _____ _____ _____ _____ _____
	Length: _____ Action or Image: _____ Script: _____ _____ _____ _____ _____
	Length: _____ Action or Image: _____ Script: _____ _____ _____ _____ _____

Reminders: Follow the Vine tutorial that was demonstrated in class. When you touch and hold the Vine screen, it records the action. You can save and edit the video later, to reorder or rerecord certain sections.

After you finish, you should hand in the list of urls for your sources, for both your research *and* your images, to Mr. Hall.

NOTE: Your name should not appear anywhere in the Vines. These Vines and Vine accounts are to be used **ONLY** for schoolwork – you may follow and/or ReVine only your classmates and their productions. These accounts should **NOT** be used to view or access any non-school-related content.
